

## Nomination Form for the SSEA Student Environmental Award

*Nominee:* Student

*Criteria:* The nominee has demonstrated a keen interest in nature, the environment, conservation, stewardship, and/or sustainability and sustainable development. Has shown enthusiasm, energy, initiative, and commitment toward the natural environment, and serves as an inspiration to other students. Has possibly put their interest into action through an ongoing campaign or one-time project that has raised environmental awareness or led to environmentally friendly change in the student's class, school or community. Aligns their environmental beliefs with their actions and behaviours at school and at home.
