

OUR SPRINGWATER, OUR FUTURE
OFFICIAL PLAN REVIEW

The new Official Plan will deal with:

- how to manage development and growth to the year 2031
- how to provide infrastructure and community services to a growing population
- how to attract businesses and jobs
- how to protect agriculture
- how to protect and preserve the natural environment

WE NEED TO HEAR ABOUT THE ISSUES THAT MATTER TO YOU!

What is an Official Plan ?

An Official Plan contains the Township's vision, goals and objectives and will guide, manage and plan for land use, development and growth over the next 20 years.

How to Get Involved
