Former Council Members Wanted

Did you serve as a Council Member for the former Townships of Flos or Vespra or the Village of Elmvalle? The Township of Springwater would like to speak with you regarding our Canada 150 Celebrations.

Please contact the Deputy Clerk at 705-728-4784 Ext. 2042 or info@springwater.ca.

Career Opportunity

The Township of Springwater is currently recruiting a:

Director of Public Works Full-time, Permanent Position

Opportunity closes Friday, March 31, 2017 at 12 noon. For a job description and details please visit: www.springwater.ca/careers

Seasonal Load Restrictions

In an effort to protect Springwater's infrastructure and in accordance with By-law 2010-025, reduced load limits will be in effect from March 1 to April 30.

For more information or to inquire about an exemption contact the Public Works Department at 705-728-4784 Ext. 2075.

Cut and Fill By-law

A new Cut and Fill By-law has been proposed and Council is currently seeking feedback and comments from the public. The updated by-law includes changes to securities, notification requirements, penalties, an updated fee schedule and plan requirements.

The proposed by-law can be viewed online at www.springwater.ca/municipal_services/roads/forms_and_applications

Bid Opportunity

The Township is currently accepting bids for the following:

**Storm Sewer Cleaning and
CCTV Inspection (PW-08-2017)**
Closing: March 16, 2017 at 2:00 pm

For more information please visit:
www.biddingo.com/springwater

Policing Committee

With March Break taking place for most schools next week, there will be children out exploring, playing and traveling to and from numerous activities. Please use extra caution and be alert on our roads to ensure that everyone has a safe and enjoyable week!

Notice of Completion - Elmvalle Wastewater Lift Station Environmental Assessment

Township of Springwater Schedule 'B' Municipal Class Environmental Assessment Expansion of Existing Elmvalle Wastewater Lift Station NOTICE OF STUDY COMPLETION

The Township of Springwater has retained Ainley & Associates Limited to conduct a Municipal Class Environmental Assessment (Class EA) to expand an existing Wastewater Lift Station located on lands known municipally as 99 Queen Street West in the Village of Elmvalle. The municipality recently completed an assessment of the existing facility and confirmed that it is currently operating at 94% of its maximum capacity. It was determined that an expansion to the facility is necessary in order to accommodate existing operational demands and future growth in the area.

Following a comprehensive review of a series of alternative solutions and the receipt of input from review agencies, the general public and key stakeholders, the construction of a new Wastewater Lift Station located on 105 Queen Street West was selected as the preferred solution to address the deficiencies impacting the existing wastewater lift station.

A Project File Report has been prepared for this project to document the Schedule 'B' Class EA process and is available for a 30-day public review period beginning **Thursday, February 23, 2017** during regular office hours at the locations outlined below. The report can also be viewed on the Township of Springwater's website at www.springwater.ca.
