### Annual Water Reports

Did you know that our water systems are inspected regularly by the Ministry of the Environment and Climate Change?

The Safe Drinking Water Act outlines a number of obligations and protocols for municipal drinking water systems and inspections are carried out to ensure the Act is being followed.

The Township of Springwater routinely passes these inspections with high marks.

The reports are available online at:  
[www.springwater.ca/WaterReports](http://www.springwater.ca/WaterReports)

**Huronia West OPP Detachment at 1000 River Road West in Wasaga Beach**  
**Viewing: 10:00 - 11:00 am**  
**Auction: 11:00 am - 1:00 pm**

All of the proceeds of this auction will be directed towards the three Community Policing Committees.

If you have an old bicycle that you would like to donate to the auction, please call Bob Sporning at 705-726-2239 or email [r.sporring@sympatico.ca](mailto:r.sporring@sympatico.ca)

### 2017 Fall Flushing Notice

The Ontario Clean Water Agency (OCWA) will be flushing water mains for the Township of Springwater.

It is very important that residents **REDUCE** water use from **8:00 am - 4:00 pm** so that they may effectively complete maintenance on the water systems.

#### September 25 - 29

- Midhurst Water Systems
- Minesing Water Systems

#### October 9 - 13

- Del Trend Water System
- Hillsdale Water System

#### October 2 - 6

- Elmvale Water Systems
- Snow Valley Water Systems
- Vespra Downs Water Systems

#### October 16 - 20

- Anten Mills Water System
- Phelpston Water System

During or after this flushing period, you may experience discoloured water and/or low water pressure coming from your tap. If this happens, we suggest that you try the following:

- Remove the tap aerators off your taps and flush all the house lines until the water runs clear.
- Flush out your hot water tanks. This is to remove the accumulated iron precipitate in the tank; this iron may also decrease the efficiency of your water tank.

Should your water continue to be discoloured, please contact the Ontario Clean Water Agency at 705-429-2525.

**Thank you for your cooperation!**
