Policing Committee

Back to School

The summer has flown by and the kids are ready to head back to school! Students will be taking the bus, walking and riding bicycles to get there and parents are reminded that now is the ideal time to discuss how to get there safely. If possible, parents are encouraged to have a test run with their children prior to school beginning.

Bicycle Auction

The Policing Committees of Springwater, Clearview and Wasaga Beach would like to thank A/Sgt Mark Kinney for his time and effort organizing the bicycle auction held on August 19. Funds raised from the auction support the efforts of the three Policing Committees.

Water Bills

Residential and Commercial Water and Wastewater Bills have been mailed. The due date is **August 31, 2017**.

For those on a monthly payment plan, please note that the full amount owing will be withdrawn on the due date. Contact the Finance Department at 705-728-4784 with any questions.

Final Tax Installment Due

The final installment of the 2017 residential tax bill is due on:

Wednesday, September 20, 2017

Failure to receive a bill does not void the late payment charge.

If your mortgage company pays your property taxes, you would not have received a tax bill.

Hillsdale
End of Summer Extravaganza
Saturday, August 26
-4pm-

Like "Hillsdale Community Group" on Facebook for more information

Grenfel Gathering

Sunday, August 27, 2-6 pm

2017 Fall Watermain Flushing Notice

The Ontario Clean Water Agency (OCWA) will be flushing watermains for the Township of Springwater.

It is very important that residents **REDUCE** water use from **8:00 am - 4:00 pm** so that OCWA may effectively complete maintenance on the water systems.

September 25 - 29

- Midhurst Water Systems
- Minesing Water Systems

October 9 - 13

- Del Trend Water System (Midhurst)
- Hillsdale Water System

October 2 - 6

- Elmvale Water Systems
- Snow Valley Water Systems
- Vespra Downs Water Systems

October 16 - 20

- Anten Mills Water System
- Phepston Water System

During or after this flushing period, you may experience discoloured water and/or low water pressure coming from your tap. If this happens, we suggest that you try the following:

- Remove the tap aerators off your taps and flush all the house lines until the water runs clear.
- Flush out your hot water tanks. This is to remove the accumulated iron precipitate in the tank; this iron may also decrease the efficiency of your water tank.

Should your water continue to be discoloured, please contact the Ontario Clean Water Agency at 705-429-2525.

Thank you for your cooperation!
