Water Ban & Fire Ban - Hillsdale Area - April 23 - May 25

The Township of Springwater has hired a contractor to perform maintenance activities on the inside of the Hillsdale Water Tower. In order to carry out this work, the water tower will be drained and water storage will be contained in temporary water tankers on the property.

In order to facilitate this work and ensure adequate water for unexpected emergencies, a water ban order will be issued under By-law 2017-087. This water ban is deemed necessary and suspends all use of water distributed through a hose or any other attachment. As a result of the water ban, a fire ban has also been issued under By-law 2006-041. The following activities have been banned for the Hillsdale area from April 23, 2018 to May 25, 2018:

- Filling up of swimming pools, no matter what size
- Watering of existing lawns
- Watering of trees, shrubs, flowers and gardens
- Washing of vehicles
- Use of water toys, waterslides and water sprinklers
- Washing of paved driveways
- Washing of siding and windows
- Watering of new lawns (sod or seed)
- Outdoor burning of any kind

We have selected this time of the year to minimize the impact on our residents. We apologize for the inconvenience, but appreciate your cooperation to ensure everyone's safety.

They will also display their unique collection of old and new cast iron and explain what each piece was used for, how to use it, as well as how to properly maintain and care for it.

Springwater Residents Able to View and Pay Property Tax and Water/Wastewater Accounts Online!

The Township of Springwater is pleased to announce the launch of **My Springwater**, an online self-service platform, which allows residents to view the balance of their property tax and water/wastewater accounts, as well as make payments online.

The new online platform is available 24 hours a day, 7 days a week and provides residents with secure, convenient access to their accounts. The system allows residents to view their current balances,

view historical transactions on their account(s) and make payments online. All payments made through **My Springwater** are reflected on the account immediately, whereas online banking payments can take up to 3-5 business days to process.

Additionally, residents who sign-up for **My Springwater** will have the option of receiving email notifications when a new bill has been issued. This new paperless notification option will email participants when their property tax bill and/or water/wastewater bill is available for viewing in

My Springwater. Residents are then able to login and pay immediately without having to mail a cheque, pay at the Township Administration Centre or account for the delay associated with online banking.

As an added incentive, anyone who registers for **My Springwater** prior to 12 noon on May 18, 2018 will automatically be entered into a draw to win an Asus ZenPad 8.0 tablet. Users will receive a second chance to win a tablet when they sign-up for the e-billing notification option. Both tablets were generously donated by Compu-solve.

For additional information or to register for **My Springwater**, please visit www.springwater.ca/MySpringwater
