

**NOTICE OF INTENT
2010 BUDGET APPROVAL**

TAKE NOTICE that the Council of The Township of Springwater intends to approve the 2010 Operating and Capital Budgets at its meeting of November 30, 2009 to be held in the Council Chambers, 2231 Nursery Road, Midhurst. Once the 2010 Township budget is approved, the 2010 Tax Rate By-law will come forward at the earliest possible meeting after the Provincial Education and County tax rates and ratios have been set; and

TAKE NOTICE THAT Street Light Service Areas have been updated to include any newly constructed subdivisions. The \$30 per property Street Light Service fee is collected on the Tax Bills of the affected properties; and

TAKE NOTICE that the 2010 Budget includes the continuation of the Police Service Fee at \$70.00 per property. The Police Service Fee has been applied to all assessed properties in The Township of Springwater since the cost of OPP services was transferred to the local municipality as part of the Local Service Realignment and represents the unfunded portion. The Police Service Fee is collected on the Tax Bills.

THE PROPOSED 2010 BUDGET, together with the calculated tax impact, will be available for public viewing at the Township Office and on the Township website on or before Thursday, November 5, 2009. Any questions should be directed to Laurie Kennard, Director of Finance/Treasurer at 728-4784 ext. 2009 or finance@springwater.ca.
