## Hillsdale Hotel

**SPRINGWATER TOWNSHIP / July 14, 2010** – In June of **2009**, a request for demolition for the Hillsdale Hotel was approved by Council in accordance with Section 34.(2)(a)(i.1) of the *Ontario Heritage Act*. At the request of the owners and the newly formed Hillsdale Hotel Foundation, a series of conditions were attached to the approval. Most notably they requested that a demolition permit not be utilized until **July 1, 2010**. These conditions would allow time for the owners and the Hillsdale Hotel Foundation to assess the future of the building.

Now that the July 1, 2010 timeline has passed, under the Building Code Act, the Township must issue a demolition permit when requested.

For background on the Hillsdale Hotel, please visit our website [www.springwater.ca](http://www.springwater.ca), as information will be posted on July 15<sup>th</sup>, or contact the Township at 705-728-4784.

The Township continues to encourage a positive outcome for all parties.
